Overall Forum Objectives:

- Educate oncology practitioners about topics of emerging interest in the management of cancer patients as well as practical issues that the medically integrated team face while delivering cancer care
- Advance the quality of care within the emerging delivery model of MID
- Improve outcomes for patients who are being prescribed oral anticancer drugs and supportive care medications in an outpatient setting

Pharmacist/Pharmacy Technician CEU:

1. The Texas Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. These knowledge-based continuing professional education program may provide up to 3.75 contact hours (.0375 CEUs) of continuing pharmacy education for pharmacists and up to 2.75 (.0275 CEUs) for pharmacy technicians. This education has been designed with pharmacist and technician learners in mind. To receive credit for participation in this live educational session, you must claim your credit via the TSHP Education Portal (http://tshp.wcea.education/) no later than Sunday, May 3, 2020.

A live event “secret code” will be provided during the session, you must retain this code to claim your credit. A session evaluation must be completed through the online portal for credit to be issued. Access to an Internet enabled computer is required and use of the Mozilla Firefox browser is recommended. Accurate NABP profile and date of birth information is required for successful credit submission. It is the responsibility of the participant to ensure credit has been successfully transferred to their My CPE Monitor Profiles. TSHP is not responsible for loss of credit to participants that do not ensure credit issuance to their My CPE Monitor Profiles by Sunday, May 3, 2020.

2. There is no fee necessary for CE hours for pharmacists and pharmacy technicians who attend and complete the necessary paperwork.

3. All CE activities being presented are appropriate for pharmacists and technicians.

4. For those activities which include completion of post-test questions the applicant must pass each test with a minimum score of 90% correct responses.
5. NCODA is providing financial support for all CE presentations offered at the Forum 2020 meeting.

Physician CME:
These activities have been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of AKH Inc., Advancing Knowledge in Healthcare, NCODA, and ProCE, Inc. AKH Inc., Advancing Knowledge in Healthcare is accredited by the ACCME to provide continuing medical education for physicians.

AKH Inc., Advancing Knowledge in Healthcare designates these live activities for a maximum of 1.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activities.

Claiming Instructions:

**For Pharmacists & Pharmacy Technician you MUST complete the Post-Test provided via email post-event.**

Pharmacists and Technicians must claim your credit via the TSHP Education Portal (http://tshp.wcea.education/) no later than **Sunday, May 3, 2020**.

Physicians must claim your credit and complete the evaluation via the ProCE Education Portal (www.ProCE.com/evaluation) no later than **Friday, April 24, 2020**.

Pharmacists and Technicians:

**CPE Credit Claim Information** – To receive credit for participation in this live educational session, you must claim your credit via the TSHP Education Portal (http://tshp.wcea.education/) no later than **Sunday, May 3, 2020**. A live event “secret code” will be provided during the session, you must retain this code to claim your credit. A session evaluation must be completed through the online portal for credit to be issued. Access to an Internet enabled computer is required and use of the Mozilla Firefox browser is recommended. Accurate NABP profile and date of birth information is required for successful credit submission. It is the responsibility of the participant to ensure credit has been successfully transferred to their My CPE Monitor Profiles. TSHP is not responsible for loss of credit to participants that do not ensure credit issuance to their My CPE Monitor Profiles by **Sunday, May 3, 2020**.

All credit must have been claimed by participants via the TSHP Education Portal http://tshp.wcea.education/.
**How to Claim Live Session Credit TSHP Education Portal**

*IMPORTANT NOTE: TSHP Education Profile must contain NABP ePID & Date of Birth information in order to process credit requests. All credit requests must be submitted by the designated live session deadline. TSHP is not responsible for loss of credit to attendees that fail to meet the deadline or provide inaccurate NABP profile data. TSHP will not make exceptions to this policy, regardless of actual attendance or reason for failure to meet these requirements.*

1. Complete the 2020 NCODA Spring e-Forum session post-test sent to email you registered with

2. Visit the TSHP Education Portal. You can reach the portal either through direct link: [http://tshp.wcea.education/](http://tshp.wcea.education/) or by clicking the “Claim CPE Credit” button on the TSHP homepage: [www.tshp.org](http://www.tshp.org).

3. If this is your first visit, use the “Create your Account” button; if not, login. NOTE: You must provide your NABP and date of birth data when you create your profile, the system will NOT be able to send your credit to the My CPE Monitor system if this data is incorrect or missing. TSHP is not responsible for loss of credit due to this issue.

4. To claim credit for attendance at a live CPE session; click the “Add Live Event” link on the left.

5. Enter the “Secret Code” exactly as provided during your Live CPE Session (codes are case-sensitive). Then click the “Validate the Code” button. NOTE: Only enter the appropriate code for your attendee type; i.e. Pharmacists should enter the code for “P” designated education; Technicians should enter the code for “T” designated education. No attendee should claim credit for both.

6. The education portal will validate the code and fill in the appropriate data.

7. **Complete the Evaluation Statement.** An evaluation is required for each participant of an educational session. Please review this area and provide appropriate feedback to assist us in providing outstanding education. Click “Submit” when complete.

8. Once submitted, (provided you have included your NABP ePID & date of birth information in your portal profile) your credit will be transferred to your My CPE Monitor profile. In 48-72 hours you will be able to access your statement of credit both in your My CPE Monitor and TSHP Education Portal profiles.
Physicians:

1. To receive CME credit for the activities at this conference, you must complete the evaluations online no later than Friday, April 24, 2020.
3. Click on the blue Evaluation button which is listed with the 2020 NCODA Spring e-Forum – March 19, 2020 CME activity.
4. Login to the ProCE CE Center. Note: You will need to sign up for a new account if you have not previously used the ProCE CE Center.
5. Click on Enroll Now then enter the Attendance Codes for all the CME sessions you attended. NOTE: Each session has a unique attendance code.
6. Complete the evaluations and claim CME credit. NOTE: Complete the evaluations and claim CME credit only for the sessions you attended.
7. If you need assistance or have questions, please contact ProCE at 630-540-2848 or via email at info@proce.com.
