

Dr. Lucio Gordan earned his medical degree from the State University of Londrina College of Medicine in Londrina, Brazil, and later completed his internship and residency at the University of Iowa Hospitals & Clinics. After finishing his residency, Dr. Gordan was awarded a fellowship in Medical Oncology/Hematology at the University of Florida, Gainesville, FL. He is Board-certified in Medical Oncology, Hematology, and Internal Medicine.

Currently, Dr. Gordan serves as the Chief Medical Officer Therapeutics and Analytics, and is the immediate past president and managing physician of Florida Cancer Specialists & Research Institute (FCS) practicing at the FCS Gainesville Cancer Center. He also serves a member of the board of directors for Community Oncology Alliance (COA) and Florida Association of Clinical Oncology (FLASCO) and serves on the NCODA Executive Council.

As a cancer researcher and the recipient of research grants, Dr. Lucio Gordan is actively engaged in clinical studies. His work has been published in several peer-reviewed journals. He serves in the editorial board of several oncology journals. In 2013, Dr. Gordan was awarded the prestigious FRIST Award from the Hospital Corporation of America (HCA) in recognition of his service in the Gainesville community and at North Florida Regional Medical Center. Frequently, he participates in national and international meetings as a speaker and key thought leader. Dr. Gordan also serves on the FCS Finance Committee.

Married and the father of one child, Dr. Gordan enjoys traveling, reading, horseback riding and photography.
