

Our Mission

*Is to inspire nurses
caring for individuals with cancer,
to share ideas, collaborate inter-professionally,
and to promote quality standards
and best practices in oncology nursing care.*

Our Vision

*Is for all nurses caring for individuals with cancer to be
recognized as valued members of the medically
integrated care team.*

*We will achieve this through innovation of resources
that empower all oncology nurses to provide the best
care possible so that every patient receives the
maximum benefit from their treatment.*

Collaboration

NCODA supports its Nursing Community

- A platform for monthly virtual gatherings
- Educational opportunities
- Attendance at NCODA international meetings
- Scholarship opportunities

NCODA fosters interdisciplinary collaboration

- among the oncology team through:
- Nursing representation on NCODA staff and executive council
 - Interdisciplinary collaboration on NCODA resources and education (see “Engagement Opportunities”)

NCODA partners with Oncology Nursing Society

- Promoting the role of the Nurse as a valued member of Medically Integrated Care Team through joint initiatives.
- Promoting the role of the Oral Oncolytic Nurse Navigator through joint initiatives
