

Veteran Patient Care Resources

- › Veteran community care providers seeking information related to claims submitted to the VA can use the [eCAMS](#) provider portal to check the status of a claim.
- › Veteran community care providers with billing inquiries about claims submitted to VA can contact the Community Care Contact Center at 877-881-7618.
- › VA community emergency providers can verify a Veteran is in the VA system for emergency care while making the 72-hour notification by phone at 844-724-7842. The 72-hour notification can also be made online at:
[Veterans Health Administration - Community Care.](#)
- › For issues with provider vendorization and payment reissues, contact VA's Financial Services Center at 877-353-9791.
- › More information for VA community care providers who submit claims to VA is also available at:
[File a Claim for Veteran Care – Information for Providers - Community Care.](#)
